

WHO WILL BE REMEMBERED?

Each May, the Fire Fighters Memorial Foundation remembers those lost at an annual Memorial service at the Fire Fighters Memorial in Kingdom City Missouri. This year as always it is on the third Sunday in May, the 17th at 10:30 am.

All who have served and have passed away in the past year are remembered, and any that have been lost in the line of duty are added to the ultimate sacrifice wall. We need everyone's help to see that no one is forgotten. If you have information on the passing of a firefighter in our state please send all available information to the Foundation Memorial Committee PO Box 200 Grain Valley MO 64029.

Please do not assume someone else has already sent in the information.
